A competitive Federal program to improve education access and support First-Generation students, low income students, and students with a disability, TRIO has a long-standing history of success at BCC. Whether you have been part of TRIO and want to rejoice with fellow students, or you are just wondering where First-Generation student communities are at BCC, you are invited to celebrate with our students and staff, meet with your peers, and share stories about learning at BCC!

Send TRIO your 'First-Generation story' and be entered to win one of 4 cash prizes!

Email us a video, picture, short story, or 6-word story that tells us what being the first to go to university means to you.
